Ref: NITS/Bus Regn./2019/.....031

To

RTO (Head Quarter)
Transport Department
Govt of Sikkim, Gangtok

Date: 25.11.2019

Sub: Requesting for Institute Bus permit to ferry at Ravangla and surrounding under South Sikkim used for NIT Sikkim Students and Staff.

Sir,

This is to inform that, the National Institute of Technology Sikkim located at Ravangla has purchased bus for the use of Students and staff within the campus and surrounding in 2016. The Transport division has also issued AL and done temporary registration for final registration process. However, due to issue of BS-III, the authority has held the final registration till the decision of the Judiciary which was pending in other similar case.

Now it has been sort out, hence it is requested to kindly issue the permit to ferry at Ravangla under South Sikkim which is purely used for Students and staff of NIT Sikkim. It is also request to kindly do the needful to issue temporary registration also for the final registration. We also beg to waive any of types of fine as our case was held due the reason as stated above.

We shall be grateful if you kindly complete the process at the earliest.

Sincerely

Assistant Registrar
