**A total fifty seven (57) candidates were shortlisted for the written examination. The list was published on the Institute website. A total of forty (40) candidates (38 at IIIT-G and 02 at NIT Sikkim) appeared in the examination.**

The following measures were taken to arrive at the Master Merit List:

1. Though all the questions were even numbered of two marks, for question nos. 25, 26 and 45, (i) full marks of two was given to fully correct answers; (ii) one mark were given to half correct answers. This helped in differentiating between candidates.
2. Still there was a tie between two candidates, both obtaining 75 marks. Therefore, their BSc marks were considered, and the candidate with higher marks in BSc was given higher rank.
