

Ref. No. : NITSKM/TNP/2017/I-020

Date: - 18th April'17

NOTICE

As a part of Industry - Institute Interface programme of T&P Cell, **Mr. Ravi Mittal, the Managing Director (MD) of IP Infusion Software India Limited** and an Alumnus of IIT Madras, will deliver a talk on 'Advances in Networking' at MP Hall. Mr. Ravi Mittal brings more than 20 years of networking and communications technology experience to his role of incorporating and growing IP Infusion's R&D Center of Excellence in Bangalore.

Faculty members and staff of NIT Sikkim are invited to attend the session which will be followed by a small interaction.

The programme is exclusively for Pre-final and final year B.Tech and M.Tech students. Those 1st and 2nd year B.Tech students who wish to participate in this programme, may come to T&P Cell to ensure their seat.
