

Cluster of NITs looks for transit house accommodation in Kolkata

National institutes of technology are the institutes of national importance established by an act of the Parliament, Government of India and are funded directly by the Ministry of Human Resource Development. The institutes are mandated to offer Undergraduate, Postgraduate, Doctoral and Post-doctoral degree programmes primarily in Engineering, Science and Management and to carry out higher order research. The Hon'ble President of India is the Visitor to the NITs.

The Cluster of about 12 NITs in the N-E and Eastern India proposes to hire an independent building to establish a transit house in Kolkata on rental or short-term lease. Private parties, public sectors or government departments are invited to respond. The property should be located preferably in Salt Lake, or close to the Kolkata Airport. The infrastructures required as mentioned below are indicative only. The selection will be made on the basis of the overall suitability of the property as a whole. The rates will be as per the CPWD norms/ schedule.

It is desirable that the independent building by and large offers the following infrastructures:

1. Rooms/suites with attached bathrooms: **20**
2. Rooms with 20 sitting capacity: **2**
3. Hall with 100 sitting capacity: **1**
4. Dormitory halls for 30 each: **2**
5. Dormitory room for **10: 1**
6. Office room: **2**
7. Lobby and Common Toilets
8. Supporting staff accommodation - **2**
9. Kitchen: **1**
10. Dining hall for **30: 1**
11. Parking – For **08** vehicles

The interested parties may send their Expression of Interest (EoI) by email/fax with details of the property including locations, some photographs of the property and preferably plans as well.

Last date of receiving the Expression of Interest (EoI): 1st September 2014.

Physical inspection of building/property: 6th & 7th September 2014.

Fax: 03595 260042
