Part A - Terms and Conditions

Terms and Conditions of Supply:

1. Last date and time for submission of bids is on May 29, 2017 (Monday); 05:00 PM.
2. Suppliers shall submit the following documents along with their quotations.
 - (a) **Suppliers should be either manufacturer or authorized dealer of the said equipment and should submit the proof for the same.**
 - (b) **The names of the organizations and laboratories to which similar equipment have supplied. If possible, recommendation letters from such customers may be attached.**
 - (c) **In case of authorized dealers, bidder must furnish an authorization letter from the OEM.**
 - (f) **Technical compliance table** – The bidder shall furnish a Technical compliance table comparing the technical specifications given in Part - B.
 - (g) **EMD** should be @2% of the total cost of equipments in the form of **DD drawn in favour of “Director, NIT Sikkim” payable at SBI, Ravangla Branch (Code 07218)** and it should be contained in the technical bid. The bidders shall “self calculate the amount @2% including price for all items” and submit as EMD.
 - (h) The supplier should provide the Performance Guarantee @10% for the warranty period which may be in the form of Bank Guarantee / FD or deduction of amount of @10% from the payment which shall be kept for three (03) months beyond the warranty period.
 - (i) **Authorised Service Centre (Must)** - The OEM must have a technical service centre in India, preferably in Sikkim or West Bengal or in the vicinity of Sikkim. The service centre must have competent engineers for providing services. The bidder must mention the address and contact person of this nearest service centre. Bids of bidders who does not have authorized service centre, shall be rejected.
3. The rates should be mentioned in the **Schedule** attached with the Tender Document. Each page of the tender shall be signed in full and stamped with the seal by the supplier. The supplier must clearly state in what capacity s/he is signing the tender.
4. The supplier shall submit the tender in two envelopes. The first envelope (marked “Technical Bid”) shall contain all the documents referred to in **Para two above** and sealed. The second envelope (marked “Commercial Bid”) shall contain the **Schedule**, in which the supplier shall register the rates of supply. The second envelope shall also, likewise, be sealed. Both the envelope then should be put together, and shall be sealed in an envelope, and shall prescribed time and date. The Technical Bid shall be opened first to ensure that supplier have submitted all the requisite documents. If the Technical Bids are not in order or are deficient in some respect, the commercial bids in respect of such tenders shall not be opened. The date and time of opening the financial bids shall be announced immediately after opening all the Technical bids.

Tender No.: 04 / NITS / Chemistry / Polarimeter / 2015 – 16

5. Supplier should read carefully all the instructions and terms and conditions, etc before registering rates in prescribed schedule of the tender. Taxes and duties etc., should be shown separately.

6. Offer Period - The offers made by the suppliers shall be open for acceptance within One hundred eighty (180) days after the last Date of submission of tender.

7. Quoted Price:

The rates quoted should be inclusive of all the sundry Taxes and duties, Cess, Customs Duty, Entry Tax to Sikkim, Octroi etc. Price should be inclusive of all packing, forwarding, freight, insurance, clearing charges etc. The payment shall be made on the actual cost of on-site delivery, installation and commissioning of the equipment at the Ravangla Campus of NIT Sikkim. No other financial liability would be taken by NIT Sikkim

(a) **F.O.R.** - The quoted price must be on F.O.R. basis at NIT Sikkim, Ravangla campus.

(b) **Currency** - The rate should preferably be **quoted in Indian rupees. If the material is imported, then the supplier should show the price in foreign currency as well as show the rate of that foreign currency at which the price has been calculated.** The prospective bidders may also quote price in foreign currency. In that case, the payment may be made through the “Letter of Credit (L/C)” instrument or advance payment, depending on the choice of the competent authority of NIT Sikkim. In case of L/C, the Bank Release Order shall only be issued on arrival of the instrument in Kolkata or Bagdogra airport.

(c) **Customs Duty** - **The bidders may please note that the NIT Sikkim has DSIR certificate and instrument can be imported with reduced customs duty.** But Custom Clearance against Custom exemption certificate & transportation should be done by supplier & Instrument and all accessories should be given F.O.R NIT Sikkim.

(d) **E-cess for Sikkim** - The charges to E-cess @1% of the cost of the equipment (exclusive of VAT / CST) to be paid to Sikkim Govt. / Road permit must be borne by the suppliers. This is the cost of special permit for nationally important educational institution like NIT Sikkim. **The bidder must add this 1% in the price bid. The NIT Sikkim will help in arranging waybill against invoice, but the e-cess amount and related expenses will be deducted.**

(e) **Free of Cost On-site Warranty for 03 years (Must)** – The price shall include **“comprehensive onsite service warranty for 03 years” (including service maintenance charges and replacement of parts).** In case the OEM gives warranty of parts for less than three years, the bidders shall explicitly mention the warranty period and terms & conditions of the OEM. But the **bidder must provide onsite maintenance service for three (03) years from date of installation.** The bidder may take into calculation the charges for warranty services.

(f) **Price of Computer, Printer, UPS:** The quoted price shall include the prices of computer, printer, UPS. However, ***it is desirable that the prices of these items are shown separately in Indian Rupees (INR)*** and also the taxes (like VAT) component applicable on them. Separate E-cess / Waybill shall be arranged for these indigenous items.

Part B – Specifications for Automatic Digital Polarimeter

The required Automatic Digital Polarimeter will be used mainly to study absorbance of Organic compounds, biomolecules. The suppliers should supply all the requisite accessories, **softwares**, computer, printer and UPS. These things shall be considered as part of the package and no separate payment shall be made.

The instrument must be from internationally reputed manufacturer having supplied the same instrument model to various National Institutes in India. The said OEM must have authorized service centre in Eastern India, preferably in the vicinity of Sikkim.

The price of the instrument shall include 1 – 5 below:

1. Instrument Specification:

Two Light sources: Sodium Lamp (589 nm) and high intensity Hg- lamp (variable wavelength) – both required

Optical wavelength(s): 589 nm Na and variable Hg- Lamp (633 nm / 578 nm / 546 nm / 436 nm / 405 nm / 365 nm / 334 nm / 313 nm / 302 nm / 296 nm / 280 nm / 254 nm).

Detector: Must be Photomultiplier tube (PMT)

Modulator: Faraday cell

Measuring range: plus or minus 90 Deg.

Resolution: 0.001 Deg.

Repeatability: 0.002 Deg.

Response speed: Approx. $\pm 6^\circ$ / sec.

Accuracy: 0.01- 0.002°

Sample chamber: should accept sample tubes up to 200mm

Accessories:

(a) V Shape Cell Holder

(b) **Cells:** (i) cylindrical quartz cell 2.5mm ID x 100 mm; (ii) cylindrical quartz cell 10mm ID x 100mm; (iii) cylindrical quartz cell 20mm ID x 100mm and (iv) 50mm ID x 100mm path length each one number.

(c) **Peltier thermostatted cell holder**

Temperature range: 0-40° C (accuracy +/- 0.1 Deg C).

Readout modes: Optical rotation, optical specific rotation, concentration sugar scale (Z), optical purity.

Display: on screen LCD / LED (touchscreen) and / or on personal computer via USB ports (if operating on PC, PC requirement should be mentioned). PC based instruments will be preferred.

Calibration: Using Standards or In-built

Software: suitable software should be provided

Aperture: should be variable for low concentration measurements (must have 1.8, 3 and 8 mm diameters)

Power requirement: AC 220 V \pm 10%; 50 HZ \pm 5%

Future upgradation: (i) The polarimeter should be up gradable on the field for other wavelength filters with appropriate light source; (ii) The instrument should have facility to upgrade with different accuracy like HPLC cell flow for future applications; (iii) facility to attaché Peltier.

2. Software specifications for Instruments: (i) The software must be user-friendly; (ii) The software must be "all-in-one" software for data measurement, manipulation and evaluation; (iii) The software must come with a quantification tool; (iv) The software must include an automatic instrument test (OQ/PQ); (v) The software must allow multilevel user management; (vi) The software must be Microsoft Windows based; (vi) The software must be GMP / GLP conform.

3. Desktop Computer Specifications:

Intel® Core™ i5-6400T with Intel® HD Graphics 530 (3rd or 4th generation) / 8 GB PC3-12800 DDR3L-1600 (12800 MB/s) / 1 TB 7200 RPM ATA / 19.45" (49.40 cm) Anti-Glare Widescreen LED Display / Connectivity - 802.11b/g/n; Bluetooth 4.0 / Integrated 10/100/1000 GbE LAN / Windows 10 / Free 3 years Onsite Warranty / (For example, HP Model NO.: HP All-in-One 20-r202in / Part code: **HP Part Code: T0Q88AA**)

4. Printer-cum-scanner Specifications: HP LaserJet Pro MFP M227dw

5. UPS Specification: (i) APC 2 KVA Online UPS with at least 15 minutes back up (Model No.: APC SU2200UXINET) with external batteries from the OEM of reputed brands like Amaron / Exide, etc. (ii) An iron rack (preferably with wheels for movement) shall be given to keep the batteries.
