(d) ANNEXURE: B: COMPLIANCE WITH ANNEXURE: A, as offered by the Bidder

(e) ANNEXURE: C: BIDDER"s COMPLIANCE STATEMENT FOR STC

Chapter 3 : Technical bid (Part-1)

(a) Format – A : Check List for Eligibility Criteria

(b) Format – B : Bid Proposal Sheet

(c) Format – C : Bidder"s Statement

(d) Format – D : Bill Of Material (BOM)

(e) Format – E : Deviation Statement

(f) Format – F : Manufacturers' Authorization Form (MAF)

(g) Format – G : Price Reasonability Certificate

Chapter 4 : Price Schedule Forms

(a) Annexure D: Price schedule for goods being offered from India

(b) Annexure E: Price schedule for goods being offered from Abroad

(ii) The Bidder/Tenderer is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder/Tenderer's risk and may result in rejection of its bid.

4. Fraud and corruption:

(i) The purchaser requires that the Bidder/Tenderer's suppliers and contractors observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the following are defined:

(a) "*Corrupt practice*" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;

(b) "*Fraudulent practice*" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

(c) "*Collusive practice*" means a scheme or arrangement between two or more bidders/tenderers, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, noncompetitive levels; and

(d) "*Coercive practice*" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

(ii) The purchaser will reject a proposal for award if it determines that the Bidder/Tenderer, recommended for award, has directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract.

5. Clarification of bidding documents:

In case the bidder requires any clarification regarding the tender documents, they are requested to contact Dr. Shambhunath Barman (e-mail: shambunath.barman@nitsikkim.ac.in, Assistant Professor, NIT Sikkim on or before 08.12.2015.

6. Documents Comprising the Bid: The bid prepared by the Bidder/Tenderer shall include:

(i) Bid Security (BS)/Earnest Money Deposit (EMD) and Tender fee, as specified in the Invitation to Bids.

(ii) Documents establishing goods eligibility & conformity to tender documents, Compliance statements for specifications.

(iii) Service support details Form; Deviation Statement Form; Performance Statement Form; Manufacturer's Authorization Form etc.

(iv) All required documentary evidence establishing that the Bidder/Tenderer is eligible to bid and is qualified to perform the contract if its bid is accepted.

(v) Bid form and applicable Price Schedule Form.

For further details, please refer the details clauses of tender document.

7. Language of Bid

(i) The bid prepared by the Bidder/Tenderer shall be written in English language only.

- (ii) The Supplier shall bear all costs of translation, if any, to the English language and all risks of the accuracy of such translation, for documents provided by the Supplier.

8. Period of Validity of Bids

(i) Bids shall remain valid for 120 days after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period may be REJECTED by the Purchaser as non-responsive.

(ii) In exceptional circumstances, the Purchaser may solicit the Bidder/Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by cable, telex, fax or e-mail). The Bid Security (BS)/Earnest Money Deposit (EMD) provided shall also be suitably extended. A Bidder/Tenderer may refuse the request without forfeiting its Bid Security (BS)/Earnest Money Deposit (EMD). A Bidder/Tenderer granting the request will not be required nor permitted to modify its bid.

(iii) Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

9. Submission

The Bidders/Tenderers may submit their bids by registered/speed post/courier service or by hand, at the following address: "Assistant Registrar, National Institute of Technology Sikkim, Ravangla Campus, 737139, INDIA"

10. Warranty:

i. The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

ii The Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.

iii Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier.

iv The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.

v Upon receipt of such notice, the Supplier shall, within a reasonable period of time expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.

vi If having been notified, the Supplier fails to remedy the defect within a reasonable period of time; the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

11. **Literature must:** All the quotations must be supported by the printed technical data sheet/ literature and the specifications mentioned in the quotation must be reflected/ supported by such printed technical data sheet/ literature. The model no. and specifications quoted should **invariably be highlighted** in the data sheets/ literature for easy reference.
12. **Details of supply** of similar items to Institutes of National Importance in the NE region must be provided.
13. **After Sales Service:** Vendor should clearly state the available nearest after sales service facilities in the region, without which the offer will be rejected.
14. **Dealership Certificate:** Dealers or Agents quoting on behalf of Manufacturer must enclose valid dealership certificate.
15. **Quality Certificates:** Valid certificate to prove the genuineness of the products and of International standard, as mentioned below, must be enclosed.
- (a) Manufacturer's certificate.
- (b) ISO/ISI certificate.
16. **End user list:** Vendor should provide end user list of their products at least for last 3 years with documentary evidences.
17. **Performance Bank Guarantee (PBG):** The successful bidder shall furnish an unconditional PBG for 10% of the Purchase Order value from a scheduled Bank of India, before release of the payment. Else 10% of the billed amount will be deducted as security deposit. Where the PBG is obtained by a foreign bank, it shall be got confirmed by a Schedule Indian bank and shall be governed by Indian Laws and be subject to the jurisdiction of courts at Sikkim. The PBG shall guarantee that,
- The Vendor guarantees satisfactory operation of the Equipment & components against poor workmanship, bad quality of materials used, faulty designs and poor performance.
 - The Vendor shall, at his own cost, rectify the defects/replace the items supplied, for defects identified during the period of guarantee.
 - This guarantee shall be operative from the date of installation till 60 days after the warranty period.
18. **Delivery:**
- **Time Limit: Maximum within 80 (Eighty) days** from the date of issue of this purchase order.
 - **Safe Delivery:** All aspects of safe delivery shall be the exclusive responsibility of the vendor. At the destination site, the package will be opened only in the presence of NIT user/representative and vendor's representative. The intact condition of the package and the seal/indicators for not being tampered with, shall form the basis for certifying the receipt in good condition.
 - **Insurance:** The supplier is to establish 'All Risk Transit Insurance' coverage till door delivery at NIT SIKKIM.

- **Part Delivery:** Acceptance of part delivery shall be a prerogative of the institute.
- **Penalty for delay in delivery:** The date of delivery should be strictly adhered to otherwise the Director, NIT **SIKKIM** reserves the right not to accept delivery in part or full.

Liquidated Damage:

- If the bidder fails to deliver and place any or all the Equipment or perform the service by the specified date, penalty at the rate of 2% per month of the total order value subject to the maximum of 10% of total order value will be deducted.

19. **Genuine Pricing:** Vendor is to ensure that quoted price for the particular item is not more than the price quoted to any other customer in India, particularly to IITs/NITs and other Government Organization. Copy of the latest price list for the quoted item, applicable in India, must be enclosed with the offer.
20. **Conditional tenders not acceptable:** All the terms and conditions mentioned herein must be strictly adhered to by all the vendors. Conditional tenders shall not be accepted on any ground and shall be rejected straightway. Conditions mentioned in the tender bids submitted by vendors will not be binding on NIT **SIKKIM**.
21. **Entry Tax: Sikkim Govt. CESS** usually charge @1% of total value of equipments **has to be added by the tenderers/bidders** in the financial bid and cost of **way bill/permit to entering Sikkim** [to be paid by NIT **SIKKIM**, not by the vendor], with advance intimation to NIT Sikkim supplied by vendors from outside the State.
22. **VAT deduction at source:** In case of suppliers within **SIKKIM**, VAT deduction at source, as per Order/ notification of the Govt. of **SIKKIM** will be applicable.
23. **Payment:**
- (a) 70% payment on delivery and balance on installation, acceptance and submission of PBG, wherever applicable In case of suppliers are from **INDIA**.
24. **Payment for Imported Goods:** By an 100% Irrevocable Letter of Credit at CIF/CIP Kolkata value negotiable through any overseas of Bank from India/ any Schedule Bank of India.
25. **Enquiry during the course of evaluation not allowed:** No enquiry from the bidder(s) shall be entertained during the course of evaluation of the tender till final decision is conveyed to the successful bidder(s). However, the Purchase Committee or its authorized representative may make enquiries/seek clarification from the bidders. In such a case, the bidder must extend full co-operation. The bidders may also be asked to arrange demonstration of the offered items, in a short period of notice.

26. Force Majeure:

If the performance of the obligation of either party is rendered commercially impossible by any of the events hereafter mentioned that party shall be under no obligation to perform the agreement under order after giving notice of 15 days from the date of such an event in writing to the other party, and the events referred to are as follows:

- Any law, statute or ordinance, order action or regulations of the Government of India,
- Any kind of natural disaster, and
- Strikes, acts of the Public enemy, war, insurrections, riots, lockouts, sabotage.
-

27. Termination for default: Default is said to have occurred

- (a) If the equipment or any of its component is found having poor workmanship, faulty designs, poor performance and bad quality of materials used.
- (b) If the supplier fails to deliver any or all of the services within the time period(s) specified in the purchase order or any extension thereof granted by NIT.
- (c) If the supplier fails to perform any other obligation(s) under the contract.
- (d) Under the above circumstances NIT may terminate the contract / purchase order in whole or in part and forfeit the EMD/PBG as applicable. In addition to above, NIT may at its discretion also take the following actions: NIT may procure, upon such terms and in such manner, as it deems appropriate, goods similar to the undelivered items/products and the defaulting supplier shall be liable to compensate NIT for any extra expenditure involved towards goods and services obtained.

28 Applicable Law:

- (a) The contract shall be governed by the laws and procedures established by Govt. of India and subject to exclusive jurisdiction of Competent Court and Forum in **SIKKIM** / India only.
- (b) Any dispute arising out of this purchase shall be referred to the Director NIT **SIKKIM**, and if either of the parties hereto is dissatisfied with the decision, the dispute shall be referred to the decision of an Arbitrator, who should be acceptable to both the parties, to be appointed by the Director of the Institute. The decision of such Arbitrator shall be final and binding on both the parties.

29. Sealing and Marking of Bids

As the Bidders/Tenderers are invited in Tenders in Two Parts, i.e., **Part I – Technical Bid**, and **Part II – Price Bid**; all Bidders/Tenderers are requested to follow carefully the following instructions before preparing their offer.

I- Part I: TECHNICAL BID –

- (i) This part should contain detailed specifications of the items quoted by you along with technical literature and leaflets if any.
- (ii) A compliance statement showing the compliance of the item quoted by you with that

- of item tendered by us should be prepared and enclosed to this.
- (iii) Any other information called for in the tender related technical and commercial specifications can also come in this part.
- (iv) Prices SHOULD NOT be indicated in TECHNICAL BID (Part-1).

NOTE: Technical part as described above shall be prepared and put it in a sealed cover & marked and addressed as follows:

Tender No. :	
Due Date :	
PART I : TECHNICAL BID	To, The Assistant Registrar National Institute of Technology Sikkim Ravangla Campus, South Sikkim, 737139
From :	
.....	

II- Part II : PRICE BID-

- (i) The prices applicable for the items, item-wise in response to the tender shall come into this part.
- (ii) Tenderer shall indicate very clearly item-wise prices with applicable taxes with reference to their technical offer.
- (iii) Price part prepared as above shall be enveloped and marked as follows:

Tender No. :	
Due Date :	
PART II : PRICE BID	To, The Assistant Registrar National Institute of Technology Sikkim Ravangla Campus, South Sikkim, 737139
From :	
.....	

III- These two separate SEALED ENVELOPES containing „Technical Bid (Part I)“ and Price Bid (Part II), prepared as above along with „Tender fee“ (if applicable) should be inserted in another envelope and marked as follows:

Tender No. :	
Due Date :	
<u>PART I & PART II ARE INDIVIDUALLY SEALED AND KEPT INSIDE</u> (DD towards Tender fee with Covering Letter is also kept inside, in separate envelope)	
To, The Assistant Registrar National Institute of Technology Sikkim Ravangla Campus, South Sikkim, 737139	
From :	
.....	

IMPORTANT NOTE:

- (i) Being a Two-Part Tender, fax quotations will not be accepted.
- (ii) Please ensure your offers are received before due date and time.
- (iii) In case you are going to download the documents from our website www.nitsikkim.ac.in and submitting the offer, you are requested to submit the DD towards Tender fee in a separate envelope along with a covering letter duly marked on the cover “Tender fee for Tender No. _____”.

30. Deadline for Submission of Bids

(i) Bids must be received by the Purchaser at the address specified in Invitation for bids no later than the time and date specified therein. In the event of the specified date for the submission of Bids being declared a holiday for the Purchaser, the Bids will be received upto the appointed time on the next working day.

(ii) The Purchaser may, at its discretion, extend the deadline for submission of bids by amending the bid documents in accordance with Clause relating to Amendment of Bidding Documents in which case all rights and obligations of the Purchaser and Bidders/Tenderers previously subject to the deadline will thereafter be subject to the deadline as extended.

31. Late Bids

(i) Any bid received by the Purchaser after the deadline for submission of bids prescribed by the Purchaser will be rejected.

(ii) Such tenders shall be marked as late and not considered for further evaluation. They shall not be opened at all and be returned to the bidders/tenderers in their original envelope without opening.

32. Opening of Bids by the Purchaser

(i) The Purchaser will open all bids one at a time in the presence of Bidder/Tenderers' representatives who choose to attend, as per the schedule given in invitation for bids. The Bidder/Tenderers' representatives who are present shall sign the quotation opening sheet evidencing their attendance. In the event of the specified date of Bid opening being declared a holiday for the Purchaser, the Bids shall be opened at the appointed time and location on the next working day.

(ii) In two part system, the Price bid shall be opened only for technically acceptable (short listed) bids, found **RESPONSIVE** after technical evaluation.

(iii). Price bids of only short-listed RESPONSIVE bidders/tenderers will be opened in presence of the representatives of the bidders/tenderers who decide to remain present during the bid opening. The date of opening of the price bid will be notified only to the short listed vender

(iv) It may be noted that the dates of opening of Technical bid (Part I) and Price bid (Part II) are DIFFERENT.

(v) Bids that are received late shall not be considered further for evaluation, irrespective of the circumstances

33. Confidentiality

(i) Information relating to the examination, evaluation, comparison, and post qualification of bids, and recommendation of contract award, shall not be disclosed to bidders/tenderers or any other persons not officially concerned with such process until publication of the Contract Award.

(ii) Any effort by a Bidder/Tenderer to influence the Purchaser in the examination, evaluation, comparison, and post qualification of the bids or contract award decisions may result in the rejection of its Bid.

34. Responsiveness of Bids

(i) Prior to the detailed evaluation, the purchaser will determine the substantial responsiveness of each bid to the bidding documents. For purposes of this clause, a substantive responsive bid is one, which conforms to all terms and condition and Seal of Bidder/Tenderer bidding documents without material deviations, reservations or omissions. A material deviation, reservation or omission is one that:

- (a) affects in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or
- (b) limits in any substantial way, inconsistent with the Bidding Documents, the Purchaser's rights or the Bidder/Tenderer's obligations under the Contract; or
- (c) if rectified, would unfairly affect the competitive position of other bidders/tenderers presenting substantially responsive bids.

(ii) The purchaser's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

(iii) If a bid is not substantially responsive, it will be rejected by the Purchaser and may not subsequently be made responsive by the Bidder/Tenderer by correction of the material deviation, reservation or omission.

35. Non-Conformity, Error and Omission

(i) Provided that a Bid is substantially responsive, the Purchaser may waive any non-conformities or omissions in the Bid that do not constitute a material deviation.

(ii) Provided that a bid is substantially responsive, the Purchaser may request that the Bidder/Tenderer submit the necessary information or documentation, within a reasonable period of time, to rectify non-material non-conformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder/Tenderer to comply with the request may result in the rejection of its Bid.

(iii) Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis:

(a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;

(b) if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and

(c) if, there is a discrepancy between words and figures, the higher of the two would be taken as the bid price, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

(iv) If the Bidder/Tenderer that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security (BS)/Earnest Money Deposit (EMD) may be forfeited.

36. Negotiations

There shall not be any negotiation normally. Negotiations, if at all, shall be an exception and only in the case of items with limited source of supply. Negotiations shall be held with the lowest evaluated responsive Bidder/Tenderer. Counter offers tantamount to negotiations and shall be treated at par with negotiations

37. Purchaser's right to accept Any Bid and to reject any or All Bids

The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder/Tenderer or Bidders/Tenderers.

38. Evaluation of Bids: The PRICE bid Evaluation shall be done together for all the equipments/machinery.

CHAPTER- 2

A: SPECIFIC TECHNICAL TERMS & CONDITIONS (STC)

Please find enclosed herewith the technical terms & conditions to be made compliant with:

1. The Bidder/Tenderer is required to supply the items as per detailed specifications given in Annexure: A.
2. These items will be processed as „Two-Parts tendering processes. The first part is Technical- (Bill of Materials WITHOUT the price bids) and second part consisting of ONLY PRICE bids. All the technical terms and conditions of the offer must be mentioned in the technical proposal and no additional terms will be accepted at a later stage. They should also submit the Technical Compliance Table for these items, as given in Annexure: B.
3. Bidders/Tenderers are required to note that they should substantiate the compliance statement, as given in Annexure: B with necessary and relevant documents, wherever applicable. They should not merely write a "Yes" or "No" in the "Bidder/Tenderer"s Response" column but bring out salient features/limitations of their proposed equipments.
4. The Bidder/Tenderer should provide on-site comprehensive five (5) years OR three (3) years warranty for this proposed equipments. (OPTIONAL)
5. The Bidder/Tenderer is required to quote for supply, installation, integration, testing and maintenance for all the hardware systems and software as listed in specifications along with compliance of the terms and conditions.
6. Original copy of latest, currently dated, authorization letter from parent or OEM is required to be submitted, which should address authorization to submit this bid to NIT & supply spare parts and maintenance support for a minimum period of FIVE (5) years, after warranty period, that is total of 6 years.
7. The Bidder/Tenderer has to install the equipments at NIT site with its associated systems, devices and software.
8. The Bidder/Tenderer may be required to give their technical presentation of their proposed equipments as part of the technical qualification criteria. Bidders/Tenderers should ensure full compliance to all the requirement/specification mentioned in these documents.
9. The Bidder/Tenderer should submit the technical brochures, data sheets, etc. describing various technical aspects of offered equipments with hardware and software (if applicable), operational performance etc. This should be substantiated with line diagrams, sub-system connectivity, detailing salient features covered in the proposed equipments, along with technical proposal.
10. The Bidder/Tenderer should submit along with the technical proposal detailed list of Bill of Materials (BoM) and bring out clearly that the proposed equipments as per the BoM will be satisfying all the requirements listed in the technical specifications. Bidder/Tenderer should give detailed justification on how the performance is going to be achieved in the offered equipments, with the submitted BoM.
11. Payment Terms: Since, the configuration offered by you for required items is based upon the performance/throughput/features parameters, NIT will give 100% of total payment only on successful installation, acceptance and demonstration of operational aspects achieved at NIT site. Compliance to these terms should be submitted along with technical proposal itself.
12. Performance Bank Guarantee: Bidders /Tenderers should submit Performance Bank Guarantee for 10% of order value, valid till 60 days after the warranty period, on receipt of the notification of Award / Purchase Order.
13. Installation, integration and acceptance will be done at NIT site.

14. The entire responsibility of installation, integration and operational performance of the required equipments will be of the Bidder/Tenderer.

15. The Bidder/Tenderer is required to quote the LATEST system available in market, meeting the required specifications and supported by the OEMs. The offered equipments should be configured in such a way that any component is NOT to its end-of-life within the assured support period as given in point no. 6 above.

16. At the time of installation and commissioning of the configuration, if it is found that some additional hardware accessories and/or software items with licenses are required to complete the configuration to meet the operational performance requirement of the required equipments, which are not included in your original list of deliverables then you are required to supply such items to ensure the completeness of the equipment/machine at NO EXTRA COST TO NIT. Bidder/Tenderer should ensure completeness of the list of deliverables in the offer to avoid such discovery during installation, in strict consultation with respective OEMs.

17. Bidder/Tenderer and its OEM will arrange for giving onsite technical training of at least three days for operations of the offered equipments. All salient features of operation for these equipments and day to day troubleshooting should be covered in the training.

18. The Bidder/Tenderer should provide all original user"s manuals, technical documents, operating manual, system toolkit, application notes, user guides, software CDs and DVDs, Driver CDs and DVDs, and all printed / electronic media that comes with the offered equipments.

19. The Bidder/Tenderer should provide the following mandatory information:

i. Bidder/Tenderer must provide the information on the similar equipments supplied and installed in last 3 years. Bidder/Tenderer must submit satisfactory documentary proof from end-user.

ii. List of Organizations/Customers dealt by them with respect to above point no. (i).

iii. Latest copy of Income Tax Return Form and PAN number, as per government norms.

iv. Copy of Registration of Firm with CST/GST Nos.

v. List of all past supplies of such similar equipments and their satisfactory performance certified by their users.

20. The Bidder/Tenderer must be an Authorized System Integrator having a direct purchase and support agreement with the OEM of the EQUIPMENTS. The bidder/tenderer should have integrated, tested and supplied the equipment of similar type specified in the „schedule of requirements“ of an educational institute / organization.

21. The bidder/tenderer should be either a manufacturer or authorized agent of the foreign/Indian manufacturer. In latter case please enclose the authorization certificate.

22. The „manufacture“s authorization from (MAF)“ each of the product quoted should be submitted in the enclosed format.

23. The principal vendor should have local offices in India.

24. The principal of the bidder/tenderer should have a 24 x 7 technical assistance center in India and the bidder must have service centers of their own in Eastern India with engineers qualified to handle the repair & maintenance work.

25. The bidder/tenderer must have supplied the quoted model to the institutions of repute respectively NITs/IITs/IIITs/Central Universities/IISERs/CSIR laboratories etc. and must have conducted a demo at these places.

26. The principal of the bidder/tenderer should have annual average turnover, for last three financial years, of at least 300 Lakh and should have at least 3 logistics support centers in India, to service/replace the faulty equipment within a time frame of 48 hours. The principal vendor should also have the valid sales tax registration number for the logistic support center in India for spare and replenishment.

27. To establish the goods' eligibility, the documentary evidence of the goods and services eligibility shall consist of a statement on the country of origin of the goods and services offered which shall be confirmed by a certificate of origin at the time of shipment.

28. To establish the conformity of the goods and services to the specifications and schedule of requirements of the bidding document, the documentary evidence of conformity of the goods and services to the bidding documents may be in the form of literature, drawings and data, and shall consist of:

(i) A detailed description of the essential technical and performance characteristics of the goods;

(ii) A list giving full particulars, including available sources and current prices, of spare parts, special tools, etc., necessary for the proper and continuing functioning of the goods during the warranty period following commencement of the use of the goods by the Purchaser in the Priced- bid ; and

(iii) An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions, in the format enclosed as „deviation statement form“ to the provisions of the Technical Specifications.

29. For purposes of the commentary to be furnished pursuant to above, the Bidder/Tenderer shall note that standards for workmanship, material and equipment, designated by the Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder/Tenderer may substitute these in its bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

30. Bidder/Tenderer should also provide the specimen and other material needed for training and demonstration of the system.

31. Compliance to above Specific Technical Conditions (points 1-31), given as **Annexure: C**, will be considered for overall evaluation of the bid and non-compliance of any of the above technical terms & conditions/specifications may turn into rejection.

(B.) SCOPE OF WORK

The work includes the following:

- (1.) The supply and installation of equipment with accessories.
- (2.) Testing of equipment.
- (3.) to provide, one copy each of following documentation (on CD/DVD and printed manual, both) a) installation manual, b) operating manual, and c) Service Manual.
- (4.) Repair/Refurnishing work to restore the damage caused due to cabling or any other work related to installation.
- (5.) Any other work required for equipment making functional up to the satisfaction of NIT Sikkim.

Annexure A

TECHNICAL SPECIFICATIONS FOR "EQUIPMENTS FOR STRENGTH OF MATERIALS LABORATORY"

<i>Specification</i>	<i>Quantity</i>
Item No: 01- Universal Testing Machine	
<p>Background: A universal testing machine (UTM), also known as a universal tester, materials testing machine or materials test frame, is used to test the tensile strength and compressive strength of materials. It is named after the fact that it can perform many standard tensile and compression tests on materials, components, and structures. The specimen is placed in the machine between the grips and an extensometer if required can automatically record the change in gauge length during the test. If an extensometer is not fitted, the machine itself can record the displacement between its cross heads on which the specimen is held. However, this method not only records the change in length of the specimen but also all other extending / elastic components of the testing machine and its drive systems including any slipping of the specimen in the grips. The system should consist of a 1000 kN capacity load frame, a load measuring system, Grips, extensometer and intelligent software for machine control, data acquisition, data computation and extrapolation with suitable computer and printer.</p> <p>Learning Objective / Experiments</p> <ul style="list-style-type: none"> • Tension/ Compression test on MS rod • Shear Test on MS rod • Bending test on steel beams • Compression test on cubes and cylinders • Determination of modulus of elasticity • Study of extensometers and strain gauges <p>Technical Specification</p> <p>Type: Computerized Digital Load cell based machine Max Capacity: 1000 kN Load Range: 0 – 1000 kN Load Resolution: 10N (0.01kN) Load Range with accuracy of measurement $\pm 1\%$: 20 kN to 1000 kN Max Clearance for Tensile test: 0-850 mm</p>	1 No

Max Clearance for Compression test: 0-850 mm

Clearance between columns: 750 mm

Ram Stroke: 250 mm

Load Frame Stiffness: 1700 kN/mm

Strain Piston Speed (No Load): 0-80 mm/min

Cross head gear motor: 1 hp

Grips: Hydraulic

For Tension Test:

Clamping Jaws for round specimen: 10 - 25, 25 – 45 & 40 - 70 mm

Clamping Jaws for flat specimen: 0 - 22, 22 – 44 & 44 – 65 mm

Flat Specimen Width: 70 mm

For Compression Test:

Test pair of Compression Plates: 222 mm

Windows 7 OS based software should be capable of real time graphs

For Transverse Test:

Table with the adjustable rollers

Width of Rollers: 160 mm

Diameter of Rollers: 50 mm

Max clearance between supports: 700 mm

Radius of punch tops: 16 mm, 22 mm

Electronic Extensometer:

Gauge length: 25 mm and 50 mm

Elongation: 0 – 10 mm

Resolution: 0.001 mm

Additional Accessories

- Bend and Rebend test attachment
- Shear test attachment 6, 8, 12, 16 and 20 mm dia
- Shear test attachment 25, 30, 35 and 40 mm dia
- Bend test attachment 180⁰

- Single and double shear test attachment for MS Rod

Power Supply

3 Phase, 400-440 V, 50 Hz, AC

Standards Accessories

- PC – Win 7 64-bit OS, Intel Core i5 Processor, 4 GB RAM, 500 GB HDD, 17” LED Monitor, APC-UPS, LaserJet Printer.-1 set
- Hydraulic OIL (full tank)
- Machine & Instruction Manual – 2 set (manual should be self-explanatory instructed with simple calculations)

Desirable Requirements:

- ❖ Designed for Tensile, compressive, bend/flex and shear testing
- ❖ Should be able to hold at specified load for any specified time
- ❖ User selectable system of units: SI, metric
- ❖ Interfacing and software (with ease-of-operation and flexibility). Computer interface includes data-acquisition Card and Cable

Machine should be calibrated in accordance with BS: 1610 and IS standards

NABL Calibration with traceability certificate

-

Item No: 02- Digital Torsion Testing Machine	
<p>Background: Torsion Testing Machine is designed for conducting Torsion and Twist on various metal wires, tubes, sheet materials, torque measurement is by pendulum dynamometer system. Torque ranges can be adjusted by Auto Torque Selector. Torque can be applied to specimen by geared motor through gear box. Autographic recorder gives the relation between torque and angle of twist. The accuracy of Torque indication is $\pm 1\%$ of the true torque.</p> <p>Learning Objective / Experiments</p> <ul style="list-style-type: none"> • Torsion Test on MS specimen • To find modulus of Rigidity <p>Technical Specification</p> <p>Maximum Capacity: 1000 Nm Least Count: 0.01 Nm Torsion Speed: 1.5 rpm (reverse) Maximum Clearance: 500 mm between grips Grips for square specimens: 5 – 15 mm Grips for flat specimens: 5 -12 x 40 mm Angle of Twist Resolution: 0.1 Degree Torque resolution: 0.01% of machine capacity for entire range</p> <p>Power Supply:</p> <p>3 Phase, 400 – 440 V, 50 Hz</p> <p>Standard Accessories</p> <ul style="list-style-type: none"> • PC – Win 7 64-bit OS, Intel Core i5 Processor, 4 GB RAM, 500 GB HDD, 17” LED Monitor, APC-UPS, LaserJet Printer.-1 set • Machine & Instruction Manual – 2 set (manual should be self-explanatory instructed with simple calculations) <p>Desirable Requirements:</p> <ul style="list-style-type: none"> ❖ Suitable for Torsion and Twist test on both metallic and non- metallic materials ❖ Torque should be measured by Torque cell & Angle of twist measure by Rotary encoder. ❖ Provision for display of Torque & Angle of twist on LCD on DAS. ❖ Facility for connecting the DAS Panel to Computer. Special comprehensive software for torsion test to be provided. ❖ Accuracy of Torque measurements $\pm 1\%$ above 1/5 th of the range. 	01 No

Item No:03- Brinell cum Rockwell Hardness Testing Machine	
<p>Background: Hardness of a material is generally defined as Resistance to the permanent indentation under static and dynamic load. When a material is required to use under direct static or dynamic loads, only indentation hardness test will be useful to find out resistance to indentation.</p> <p>Rockwell test is an indentation test used for smaller specimens and harder materials. In this test indenter is forced into the surface of a test piece in two operations, measuring the permanent increase in depth of an indentation from the depth increased from the depth reached under a datum load due to an additional load.</p> <p>In Brinell hardness test, a steel ball of diameter (D) is forced under a load (F) on to a surface of test specimen. Mean diameter (d) of indentation is measured after the removal of the load (F).</p>	1 No
Learning Objectives / Experiments	
<ul style="list-style-type: none"> • Hardness tests on metals • Hardness of the given Specimen using Rockwell hardness test • Hardness of the given specimen using Brinell hardness test 	

<p>Technical Specification</p>	
<p>Rockwell Scale: A, B & C</p> <p>Test Loads:</p> <p>10 kgf Pre Load / 60, 100, 150 kgf Main Load (Rockwell)</p> <p>10 kgf Pre Load / 187.5 & 250 kgf Main Load (Brinell)</p> <p>Maximum Test Height: 230 mm</p> <p>Depth of Throat: 135 mm</p> <p>Standard Accessories</p> <ul style="list-style-type: none"> • Large, Small and V shaped Tables for each category • Indenter of diameter 2.5 mm, 5 mm and 10 mm each • Microscope of 15x magnification <p>Power Supply</p> <p>Single Phase, 220 V, 50 Hz</p>	
<p>Item 04: Digital Impact Testing Machine</p>	
<p>The Impact Tester is designed for conducting Charpy and Izod Test. In an impact test a specially prepared notched specimen is fractured by a single blow from a heavy hammer and energy required being a measure of resistance to impact. Impact load is produced by a swinging of an impact weight W (hammer) from a height h. Release of the weight from the height h swings the weight through the arc of a circle, which strikes the specimen to fracture at the notch.</p>	<p>1 No</p>
<p>Learning Objectives / Experiments</p>	
<ul style="list-style-type: none"> • - Determine the Impact toughness (strain energy) through Izod test and Charpy test 	
<p>Specification</p>	
<p><u>Charpy Test</u></p> <p>Pendulum Drop Angle: 140⁰</p> <p>Pendulum Effective Weight: 20.59 Kgs</p> <p>Pendulum Impact Energy: 30 Kg-m</p> <p>Minimum Graduation: 0.2 Kg-m</p> <p>Least Count: 0.1 Kg-m</p> <p>Distance of Axis of Hammer Rotation and Center: 825 mm</p>	

<p>Striking Edge Angle: $30^{\circ} \pm 1$ Radius of Curvature: 2.25 mm Width: 18 mm Support Distance Between Arms: 40 mm Sloping Angle: 0° Relief Angle: 10°</p> <p><u>Izod Test</u></p> <p>Radius of Curvature: 0.75 mm Pendulum Drop Angle: 85° Pendulum Effective Weight: 21.79 Kgs Pendulum Effective Energy: 16.52 Kg-m Minimum Graduation: 0.14 Kg-m Least Count: 0.1 Kg-m Distance of axis of Hammer Rotation and center: 825 mm Striking Edge Angle: 75° Width Horizontal: 10° Vertical Relief: 5°</p> <p>Standard Accessories</p> <ul style="list-style-type: none"> • Caliper gauge for checking V notch for Izod & Charpy • Templates for checking 10 x 10 mm cross section of Izod/Charpy test specimen • Depth notch gauge including V & U notch gauges for checking depth below V/U notch angle and radius • Izod support for 0.450" dia Izod round specimen • Self-centering tong for quick and accurate setting of Charpy test specimen • V notch milling cutter <p>Desirable Specifications</p> <ul style="list-style-type: none"> ❖ For Gripping Specimen with dimension 10 mm x 10 mm ❖ Machine should conform to E – 23 ASTM standard ❖ Accuracy should conform to IS:3766-2003, IS:1598-1977, IS:1499-2003, IS:131-Part-I, II, III, IV & BS EN-10045-1993 (for Charpy) 	
Item 05: Spring Testing Machine	
<p>Operation of the Spring Testing Machine is by hydraulic transmission of load from the test specimen through pressure transducer to a separately house load indicator. The</p>	1 No

system is ideal since it replaces transmission of load through levers and knife edges, which are prone to wear and damage.	
Learning Objectives / Experiments	
<ul style="list-style-type: none"> • Spring test – open and close coil springs 	
Specification	
Maximum Capacity (kN) conforming to BS: 1610:1964 and grade 1.0 of IS 1828-1975

ANNEXURE: C**BIDDER' s COMPLIANCE STATEMENT FOR SPECIFIC TECHNICAL TERMS AND CONDITIONS (STC)**

Bidders/Tenderers should critically go through this specific technical terms & conditions and make themselves compliant. Bidders/Tenderers should NOT simply write Yes or No here but give detailed write-up after understanding the requirement of the feature described here and provide respective technical data sheets/brochure/documents.

SI No	Compliance Statement for Specific Technical Terms and Conditions	Bidder/Tenderer's Response
1	Is the Bidder/Tenderer is ready to supply these items as per detailed specifications given in Annexure: A ?	
2	The procurement of these equipments will be processed as Two-Parts tendering process. The first part is Technical-Commercial "Complete set of deliverables without the price bid" and second part consisting of ONLY PRICE bids. Has Bidder/Tenderer submitted this tender response in two-parts as directed?	
	Has Bidder/Tenderer agreed to all the technical terms and conditions of the offer, as mentioned in the technical proposal and no such additional terms & conditions from Bidder/Tenderer will be accepted, at a later stage?	
	Has the Bidder/Tenderer submitted the Technical Compliance Table for these items, as given in Annexure: B ?	
3	Has the Bidder/Tenderer substantiated the Compliance Statement, as given in Annexure: B ?, with necessary and relevant documents, wherever applicable? Bidder/Tenderer should not merely write a "Yes" or "No" in the "Bidder's Response" column but bring out salient features/limitations of their proposed equipments.	
4	Has the Bidder/Tenderer provided on-site comprehensive five (5) years OR three (3) years warranty for offered equipments and has quoted for both these options separately ?	

5	Has the Bidder/Tenderer quoted for supply, installation, integration, testing of the „These equipment“ and maintenance for all the hardware systems and software as listed in this RFP along with compliance of the terms and conditions?	
6	Has Bidder/Tenderer provided ORIGINAL copy of latest, currently dated, authorization letter from parent or OEM, with authorization issued to submit this bid, provide these equipments to NIT & supply/ spare parts and maintenance support for a minimum period of FIVE (5) years, after ONE (01) year warranty period, that is total of ELEVEN (6) years?	
7	Is the Bidder/Tenderer ready to install these equipments at NIT site and integrate them in respective laboratories at NIT, with its associated systems, components, devices and software?	
8	Is the Bidder/Tenderer ready to give their technical presentation of the proposed equipments, as part of the technical qualification criteria?	
	Does the Bidder/Tenderer ensure full compliance to all the requirement/specification mentioned in these documents?	
	Is the Bidder/Tenderer ready to provide all contents of technical discussion/presentation to NIT along with soft copy?	
9	Is the Bidder/Tenderer ready to submit the proposal specific to these equipments along with documents (technical brochures, data sheets, etc.) describing various technical aspects like integrated working of offered equipments with hardware and software, operational performance etc, substantiated with line diagrams, sub-system connectivity, detailing salient features covered in the proposed equipments, along with technical proposal?	
10	Has the Bidder/Tenderer submitted, along with the technical proposal, “the detailed list of deliverables” and has bring out clearly that the offered equipments, as per the BOM submitted, will be satisfying all the requirements listed in the technical specifications?	
	Has Bidder/Tenderer given detailed justification on how the performance is going to be achieved in the offered equipments with the submitted BOM?	
11	Payment Terms: Since, the configuration offered by bidder/Tenderer for these equipments, is based upon the performance/ throughput/ features parameters. Does Bidder/Tenderer agree that NIT will give 100% of total payment only on successful installation, acceptance and demonstration of operational aspects finally achieved at NIT site?	
	Has Bidder/Tenderer submitted compliance to these terms along with technical proposal itself?	
12	Performance Bank Guarantee: Does Bidder/Tenderer agree to submit Performance Bank Guarantee for 10% of order value, valid till 60 days after the warranty period, on receipt of the notification of Award / Purchase Order / Agreement?	
13	Has Bidder/Tenderer included the „list of deliverables“, without the prices, for the offered equipments, along with technical proposal, i. e., Technical Bid (part-1)?	
14	Does Bidder/Tenderer agree that Installation, integration and acceptance will be done at NIT site?	
15	Does the Bidder/Tenderer agree that the entire responsibility of installation, integration and operational performance of the „Technical Specifications of required equipments“ will be of the bidder/tenderer?	
16	Is the Bidder/Tenderer ready to quote the LATEST system available in market, meeting the required specifications and supported by the OEMs?	
	Are these equipments configured in such a way that any component is NOT to its end-of-life within the assured support period as given in point no. 6 above?	
17	Does Bidder/Tenderer agree that at the time of installation and commissioning of the configuration, if it is found that some additional hardware accessories and/or software items with licenses are required to complete the configuration to meet the operational performance requirement of the configuration, which are not included in their original list of deliverables then they are required to supply such items to ensure the completeness of the configuration at NO EXTRA COST TO NIT?	
	Does the Bidder/Tenderer ensure the completeness of the list of deliverables in the offer to avoid such discovery during installation, in strict consultation with respective OEMs?	
18	Do Bidder/Tenderer and its OEM agree to arrange for “Technical training on the operation of the offered equipments for THREE days or more, as may be necessary to ensure a reasonable degree of comfort with the instrument”?	
	Are all salient features like day to day operation, troubleshooting, system administration of these equipments, covered in the training?	
19	Is the Bidder/Tenderer ready to provide all original user’s manuals, technical documents, operating manual, system toolkit, application notes, user guides, software CDs and DVDs, Driver CDs and DVDs, and all printed / electronic media comes with the offered equipment“?	
20	Does the Bidder/Tenderer agree to provide the following mandatory information? : i. Bidder/Tenderer must provide the information of similar equipments supplied and installed in last 3 years. ii. List of Organisations/Customers dealt by them with respect to above point no. (i). iii. The PAN No., as per Government records. iv. Copy of Registration of Firm with CST/GST Nos	
21	The Bidder/Tenderer is an Authorized Equipment Supplier having a direct purchase and support agreement with the OEM of the EQUIPMENTS.	
	Has the bidder/tenderer integrated, tested and supplied the equipments of similar type specified in the „schedule of requirements“ of any other educational institute / organization.	
22	The bidder/tenderer should be either a manufacturer or authorized agent of the Foreign/Indian	

	manufacturer. In latter case please mention the authorization certificate, reference no. and date.	
23	Has the Bidder/Tenderer submitted the „Manufacture’s Authorization Form (MAF)“ for each of the product quoted, in the enclosed format	
24	Does the principal vendor have local offices in India. Please give no. of offices & their addresses?	
25	The principal of the bidder/tenderer have a 24 x 7 technical assistance center in India and the bidder has service centers of their own in northern India with engineers qualified to handle the repair & maintenance work. Please give details.	
26	Has the Bidder/Tenderer supplied the quoted model to the institutions of repute respectively NITs/IITs/IIITs/Central Universities/IISERs/CSIR laboratories etc. and conducted a demo at these places. Please give details?	
27	Has the principal of the Bidder/Tenderer have annual average turnover, for last three financial years, of at least 300 Lakh and have at least “a support centre, capable of serving/replacing the equipment at NIT, within a time frame of 48 Hrs”. Please give details. The principal vendor has the valid trade tax registration number for the logistic support center in India for spare and replenishment. Please give details.	
28	To establish the goods’ eligibility, the documentary evidence of the goods and services eligibility shall consist of a statement on country of origin of the goods and services offered which shall be confirmed by a certificate of origin at the time of shipment. Is it attached here? Please mention reference no. and date.	
29	Does the Bidder/Tenderer agree to provide the following documents: (i) A detailed description of the essential technical and performance characteristics of the goods; (ii) A list giving full particulars, including available sources and current prices, of spare parts, special tools, etc., necessary for the proper and continuing functioning of the goods during the warranty period following commencement of the use of the goods by the purchaser in the Priced- bid ; and (iii) An item-by-item commentary on the Purchaser’s Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions, in the format enclosed as „deviation statement form“ to the provisions of the Technical Specifications.	
30	Does the Bidder/Tenderer agree with Clause 29 of STC? For purposes of the commentary to be furnished pursuant to above, the Bidder/Tenderer shall note that standards for workmanship, material and equipment, designated by the Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder/Tenderer may substitute these in its bid, provided that it demonstrates to the Purchaser’s satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.	
31	Does Bidder/Tenderer agree that Compliance to points 1-30 of Specific Technical Term & Conditions (STC), given as Annexure: C, will be considered for overall evaluation of the bid and non-compliance of any of the above technical terms & conditions/specifications may turn into rejection?	

CHAPTER-3

TECHNICAL BID (PART-1)

Technical Bid (Part-1) will be the compilation of following documents, **along with required supporting documents**. No document in support of minimum eligibility criteria will be accepted / entertained after opening of tender.

SINo	Documents
1	Cover letter by bidder (On the Letter Head of the Bidder)
2	Format – A : Check List for Eligibility Criteria (On the Letter Head of the Bidder)
3	Format – B : Bid Proposal Sheet (On the Letter Head of the Bidder)
4	Format – C : Bidder’s Statement (On the Letter Head of the Bidder)
5	Format – D : BILL OF MATERIAL (BOM) (On the Letter Head of the Bidder)
6	Format – E : DEVIATION STATEMENT (On the Letter Head of the Bidder)
7	Format – F : MANUFACTURERS’ AUTHORIZATION FORM (MAF)
8	Format – G : PRICE REASONABILITY CERTIFICATE
9	ANNEXURE: A TECHNICAL SPECIFICATIONS FOR “EQUIPMENTS FOR FLUID MECHANICS LABORATORY”
10	ANNEXURE: B: COMPLIANCE WITH ANNEXURE: A, as offered by the Bidder
11	ANNEXURE: C : BIDDER’S COMPLIANCE STATEMENT FOR SPECIFIC TECHNICAL TERMS AND CONDITIONS (STC)

[NOTE: The Technical Bid (Part-1) must be submitted in an organized and structured manner. None of the documents/brochures/ leaflets etc. should be submitted in loose form.]

17	Copy of the TIN no. of the Firm (REF.: Item 8 of FORMAT-C)				
18	Copy of the Service Tax Registration No. of the Firm (REF.: Item 9 of FORMAT-C)				
19	Supporting Document showing Annual Turnover for the last 3 years (REF.: Item 10 of FORMAT-C)				
20	List of Types of equipments supplied during preceding THREE years, as on date of signing the bid (REF.: Item 13 of FORMAT-C)				
21	List and Details of supplying similar equipments, supplied to reputed Indian organizations, especially NITs/ IITs/IIITs/ Central Universities/ IISERS/CSIR labs etc., during preceding THREE years, as on date of signing the bid. (REF.: Item 14 of FORMAT-C)				
22	All documentary proofs showing satisfaction of the eligibility criteria, as laid down in the Tender document, are attached.				
23	All prices quoted, for products and services, are valid for a period of 120 calendar days from the last date of submission of bids. No upward change in prices and 'terms and conditions' will be permitted to the bidder.				
24	The quoted prices are in Indian Rupees, and F.O.R. "NIT Sikkim", inclusive of Packing, Forwarding, Freight/Cartage and insurance charges. Please note that NIT Sikkim is an educational institution and is exempted from payment of Custom Duty and certain taxes, as per rules of Government of India for which necessary certificates will be provided by the NIT Sikkim				
25	In Price Bid (Part 2), all applicable taxes, duties etc are mentioned,				

	clearly and separately. If taxes are not mentioned, it would be assumed that the rates quoted are inclusive of taxes.				
26	The bidder agrees that Price Bid (Part-2) conforms to NIT's price bid format, as given in CHAPTER-5: PRICE SCHEDULE FORM of tender document.				
27	All relevant Technical Literature/Catalogue/Pamphlets/Technical Literature is attached along with Technical Bid (Part-1).				
28	Please provide your delivery schedule, attached along with Technical Bid (Part-1), failing which your quotation will NOT be considered. The successful bidders are required to supply the goods within prescribed delivery schedule from the date of purchase order.				
29	In case of becoming success bidder, the bidder agrees to submit a performance Bank Guarantee of 10% of the cost of the material, as per the Purchase Order of NIT Sikkim, along with the Acceptance.				
30	The bidder agrees that In case the equipment/accessories are not supplied within specified delivery period, or the installation and commissioning is delayed beyond the specified time, a penalty @2% of the Purchase Order value for each month or part thereof, will be charged from the supplier. The same would be deducted from the final payment.				
31	The equipment must be warranted against all manufacturing defects for the standard warranty period from the date of successful installation and acceptance. In case, a part thereof or the whole equipment is found defective the same will have to be rectified/replaced on free of charge basis without lapse of time. In case the equipments are not repaired/ replaced within the "Service Time" quoted, the bidder agrees that suitable action may be taken by the NIT Sikkim.				
32	The bidder agrees that all disputes, if arising related to this tender, shall be in courts of Sikkim.				
33	The bidder agrees that the NIT Sikkim reserves the right to reject lowest quotation or all the quotations or accept any quotation or part thereof without assigning any reason. Further, Bill of Material (BOM) as indicated in this Tender Document is subject to change, determined by the needs of the NIT.
