A tribute to Indian space research

## TOWN PLANNING

- The participants have to draw or sketch a plan of a smart town on a sheet of paper given by the organizers.
- After neat and clean colouring and sketching, they have to present this town in front of the judges explaining the networking, merits, new technologies, etc. of their respective town.

### Rules & Regulations: -

- Each team will have a group of 2 participants.
- Time limit will be 2 hours.
- The participants will be given a blank sheet for the sketching and colouring of the town.
- Other accessories like pencils, wax colours, compass, and scales etc. will be provided in the competition.
- The event will be judged on the basis of neatness of the plan, road networking of the town, new technologies, and special features and also how the plan is presented.
