

Advt. No: NIT/2025/RO/94

Date: 24.05.2025

**Advertisement for Temporary Faculty Positions**

Online applications are invited from eligible candidates having qualifications, experience, and desired specialization as appended below, for a temporary faculty position in various Departments as listed below in a purely contractual capacity.

Sl. No.	Department	Specialization
1.	Civil Engineering	1. Geotechnical Engineering
2.	Electronics and Communication Engineering	1. Digital VLSI design 2. Communication Engg.
3.	Computer Science & Engineering	

Candidates are required to apply online using the link <https://forms.gle/6dUiAmWGisTnGHjp9>. **The applications received on or before 20<sup>th</sup> June 2025 will be considered, and an interview will be held in online/ offline mode.** Empanelment as temporary faculty will be initially for a semester; however, it may be extended based on your performance and the recommendation of the concerned Head of the Department.

The shortlisted candidates will be communicated through email. All the shortlisted candidates are required to appear online for the presentation.

*Kindly note that the Institute is operating from a temporary campus at Ravangla, situated at an altitude of 2100 meters. The terrain is hilly and the weather remains cold and wet throughout the year. Moreover, there is very limited infrastructure within the present campus. Accommodation may not be provided to selected candidates.*

**Minimum essential qualification**

- The candidates should also have B.Tech., M.Tech., & Ph.D. in relevant disciplines. (Candidates who have submitted the Ph.D. thesis may also apply).
- Candidates with Ph.D. and teaching experience in reputed educational Institutions completed will be preferred.
- If candidates with Ph.D. qualifications are not found, then M.Tech. with excellent academic record may be considered.

*\*Institute reserves the right to fix additional or higher criteria for short-listing. \**
