The regularity of the student in the course(s) shall also be considered as part of IA. The marks distribution for IA shall be decided by the Course Coordinator as per the directions issued by the office of the Dean Academic/HOD/DUGC. Laboratory/Practical courses will have Practical and Sessional (PRS) and will be evaluated as decided by the Course Instructor/

Coordinator. The distribution of weightage of marks for each component shall be as in table 8.1.3 and will be announced by the Course Instructor/Coordinator at the beginning of the course. Apart from these, there may be other nature of courses/examinations/evaluation procedures as decided by the Department/Course Coordinator. The instructions/procedures issued by the Departments shall be binding on all the students.

- 8.1.2 There shall be TWO Mid-Term Examinations (MTE) and the duration of the examination shall be ONE hour. The duration of the End-Term Examination (ETE) and the Practical/Sessional End-Term Examination (PRSE) shall be for THREE hours and it is mandatory for every student to appear in all examinations. The schedule of the examinations will be as notified in the academic calendar or by the office of the Dean Academic/the concerned Department. 3	End - Term Examination (ETE)	50%

Table – 2: Practical and Sessional

S.No.	Components of Assessment	% Weightage

A student is expected to earn a minimum number of credits as specified in **Table 8.1** below at the end of the first year in order to continue her/his registration and study in the program. If a student does not meet this criterion, her/his performance is classified as “**Academically Poor**”, and s/he gets a **year-back** or else her/his registration/admission will be terminated and have to leave the Institute. The option of the year-back is available **only once** at the end of the first year.

Table 8.1 Criteria for continuation of registration at the end of the first year

Check Point	Earned Credits (including supplementary examination)	Decision	Remarks
At the end of first year including summer course	≥ 33	Allowed to register in the next semester (3 rd semester)	-
	< 33	Year back, has to re-register in the 1 st year (One re-registration chance only)	Academically Poor Year-Back student

- (iii) If a student chooses year-back option (year-back student) after the first year, then her/his credits earned will be carried over. The year-back option will be permitted only once in the first year.
- (iv) After re-registration in first year as year-back student, if the earned credits by the student are again less than **THIRTY-THREE (33)** at the end of the academic year, then the admission of such student will be terminated and the student will have to leave the Institute.

The academic performance of each academically weak/poor student is monitored by the Mentor Faculty/Faculty Advisor. An academically weak student can register for a **maximum of TWENTY-ONE (21) credits in a semester**. S/he shall first register for the backlog courses (if being offered) and then the courses from the current semester subject to the ceiling of maximum TWENTY-ONE (21) credits. If s/he improves performance and earn more than **FORTY (40)** credits in a year, s/he shall be treated as a normal student for the subsequent year(s).
- (vii) From the second year and onwards if the performance of a student on probation does not meet the criteria given at point (iii), then the student may face termination/year back, and will be permitted to register by the Dean Academic only if the DUGC makes favorable

recommendations. The recommendation shall be prepared after consultation with the student/parents, and should include:

The academic performance of a student shall be graded on a **10-point scale**. At the end of the semester a student is awarded a letter grade in each registered course based on her/his performance as per the evaluation criteria/system. The Department/Course Coordinators will follow absolute or relative/statistical grading according to the number of students or otherwise. The awarded grades should be submitted to the office of the Dean Academic within the prescribed time limit as announced in the academic calendar after the End-Term Examination (ETE). The timely preparation and display of final grades shall be the sole responsibility of the Course Instructors/Coordinators in all respects. A meeting of grade moderation committee should be held by the concerned HOD before finalization of the grades by the Course Coordinators. Timely submission of the grades to the office of the Dean Academic/Examination Cell shall be the sole responsibility of the concerned DUGC and HOD.

The letter grades are as given in the table below with values distributed on a 10-point scale.

(Table-9.1: Grades and Grade Points)

Failed due to absence in End-Term Examination/ poor performance/ academic malpractice	Below 35	FP	0	
Insufficient Attendance (failed because of low attendance)	---	FA	0	
Course Incomplete	---	IW	---	Incomplete work
Course Withdrawal	---	CW	---	
Audit Course Pass	---	AP		
Audit Course Fail	---	AF		
Semester Withdrawal	---	SW		

The course(s) in which a student has earned FP/FA grade will be termed as Backlog Course(s). “FP” grade will be awarded for failed due to absence in End-Term Examination/poor performance/academic malpractice/indisciplinary activities or as defined by the Senate from time to time. The procedure and penalties for dealing with academic malpractices/indisciplinary activities shall be decided by the Senate/Chairperson Senate and will be the part of these rules and regulations.

‘FA’ grade will be awarded to a student not fulfilling the mandatory requirement of minimum 75% attendance in any course. S/he shall not be eligible to appear in the Mid/End -Term Examination(s) in that particular course. Such students have to register/repeat the course in which s/he has shortage of attendance, as and when the course will be offered in subsequent semester/summer course or as decided by the Senate/Chairperson Senate on the recommendations of the SUGB.

When a student gets ‘FA’/ ‘FP’ grade in any course during a semester, the SGPA of that semester and the CGPA at the end of that semester will be tentatively calculated by taking 'ZERO grade point' for that course. Once a student passes such course(s), the SGPA for the semester and CGPA at the end of the semester will be recalculated after taking into account the grade obtained.

‘IW’ grade refers to an ‘incomplete work’, which is required to be converted into a regular letter grade. A student may be awarded the ‘IW’ grade in a course if s/he has missed the End-Term Examination, for a genuine reason which is in the knowledge of the DUGC/SUGB and the concerned student has done satisfactorily in all other parts. An ‘IW’ grade is not awarded simply because a student has failed to appear in examination(s). The IW grade will not be awarded in a theory course in any case.

If an ‘IW’ grade is awarded in a course, the student may be permitted to take the examination in that subject as and when the next examination will be conducted by the office of the Dean Academic and the Department. The ‘IW’ grade will be converted by the Course Instructor into an appropriate letter grade and communicated to the office of the Dean Academic by the last date specified in the academic calendar. Any ‘IW’ grade exists after the last scheduled date, shall be automatically converted into ‘FP’ grade.

An ‘IW’ grade may be given for major project/seminar/presentation or similar courses on medical grounds/unsatisfactory performance. ‘IW’ Grade awarded for incomplete work will be converted

to a regular grade on the completion of the work and its evaluation. In case of project, the student concerned shall present her/his work to the Evaluation Committee for the project latest by EIGHT (08) weeks or before the beginning of the next semester. If the Department feels that a student has to complete her/his project in another semester, the DUGC shall advise the student to get formally registered in the subsequent semester. However, the DUGC of the concerned Departments can decide the evaluation process for such courses or may take the directions from the Dean Academic if necessary.

‘CW’ grade refers to withdrawal from the course. If any student chooses to withdrawal a course as per the rules and regulations given here, the student has to register such course(s) in the next semester as and when offered by the concerned Department.

In case of relative/statistical grading, the student must score minimum of 85% for ‘AA’ grade and minimum 35% for ‘DD’ grade in a course of study. In case of absolute grading, **Table 9.1** will be followed for the award of grades. The decision of the DFB/DUGC of the Department shall be final and binding on the students. The Department has to minute the recommendation in this regard.

10. Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

The letter Grades awarded to a student in the courses (except audit courses) shall be counted towards the calculation of semester and cumulative performance index called the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) respectively.

The SGPA is an indicator of the overall academic performance of a student in all the courses s/he has registered during a given semester. Similarly, the CGPA indicates the overall academic performance of a student in all the courses registered and successfully earned credits up to and including the latest completed semester/summer term. The formulas and method for calculation of SGPA and CGPA are given below:

10.1 Calculation of Semester Grade Point Average (SGPA)

$$SGPA = \left(\sum_{i=1}^n C_i G_i \right) / \left(\sum_{i=1}^n C_i \right)$$

Where,

- C_i Credits of the i^{th} course.
- G_i Grade point earned in the i^{th} course.
- i 1, ………, n represent the number of courses in which a student has registered in the concerned semester.

10.2 Calculation of Cumulative Grade Point Average (CGPA)

$$CGPA = \left(\sum_{j=1}^m C_j G_j \right) / \left(\sum_{j=1}^m C_j \right)$$

Where,

- C_j Credits of the j^{th} course.
- G_j Grade point earned in j^{th} course.
- j 1, ………, m , represents the number of courses in which a student was registered and has successfully earned credits up to the semester for which CGPA is to be calculated.

10.2.1 Conversion Formula from CGPA to % Marks

Overall equivalent % marks = CGPA x 10

10.2.2 General Guidelines for the Award of Grades

The CGPA, SGPA and the grades obtained in all the subjects/courses in a semester will be communicated to every student at the end of every semester. A grade sheet (with total credits) will be issued to every student at the end of the semester.

Both SGPA and CGPA will be rounded off to the SECOND place of decimal and recorded as such. Whenever these grade point averages are to be used for the purpose of determining the inter-semester merit ranking of a group of students, only the rounded off values will be used. At the end of the program, student rank-list may be published by office of the Dean Academic.

11. Attendance, Absence and Leave

11.1 Attendance Requirement

Attendance in the class in every course is compulsory and shall be maintained by the Course Coordinator/Instructor. The Institute expects 100% attendance in every course. However, due to ill health or other emergency situations, absence up to 25% is permissible. A student not having 75% attendance will be debarred from appearing in the Mid-Term/End-Term Examination and will be given a “FA” grade. Such a student is required to register for the course(s) as and when offered. The same attendance requirement is applicable to summer course (if conducted) too. Attendance of the students shall be monitored and communicated to the student by the Course Coordinator/Instructor during the semester as per the guidelines issued by the SUGB/office of the Dean Academic. In case of exigencies due to illness, the Chairperson Senate may relax the attendance requirement up to 10% on the recommendation of the DUGC and Dean Academic/SUGB/SSC. The medical certificate must be submitted within THREE (03) days of the joining the Institute after illness. ***It shall be the sole responsibility of the student to enquire about the attendance in each and every course from the concerned Course Instructor/Course Coordinator every month and make sure that the compliance of the attendance requirements in every course is made.***

11.2 Absence in End-Term/Mid-Term Examination

If a student is absent during End-Term Examination in any theory course due to medical reasons or other circumstances, s/he will be awarded “FP”/ “FA” grade. Such students shall be considered for supplementary examinations/summer course as per the rules given here. For any course other than theory such as laboratory/ practical/sessional/project etc., the students may be awarded ‘IW’ grade by the Course Coordinator/Instructor. The DUGC of the concerned Department is required to monitor such cases and may advise the Course Coordinator/Instructor. The Convener DUGC is also required to communicate such cases to the office of the Dean Academic and s/he can appear in the next examination as per the rules.

A student, who fails to appear in the Mid-Term Examination due to sudden illness or mishap/ accident and is supported by valid medical certificate, may be allowed to take another examination preferably within TWO weeks of the Mid- Term Examination with the permission of the concerned Course Coordinator/Instructor with the intimation to the concerned HOD/ Convener DUGC. If the course coordinator/HOD/DUGC Convener is not convinced with the reason for absence from the Mid-Term Examination, they may deny to conduct a separate examination for such student(s) and student has to abide with the decision of the Department.

The application for re-examination on medical grounds should be supported by a Medical Certificate of the Medical Officer of the Institute. If, however, a student is outside the campus at the time of illness or a mishap/accident, her/his application should be supported by a Medical Certificate issued by a Medical Officer of the rank of the Deputy Chief Medical Officer or above. In case of private hospital, the certificate must be verified by the Institute medical officer. However, the decision of the concerned DUGC will be final and binding on the student.

The SUGB/office of Dean Academic may issue the guidelines/rules in this regard from time to time as deemed necessary and same shall become the part of these rules and regulation and shall be binding on the students.
