

About NIT Sikkim

National Institute of Technology Sikkim (NIT Sikkim), an institute of national importance, is one of the ten newly sanctioned NIT(s) by the Government of India in 2009. It is an autonomous institute and functioning under the aegis of Ministry of Education, Government of India (MOE). The Institute is offering B. Tech. programs in Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Civil Engineering, and M. Tech. programs in Computer Science and Engineering, Microelectronics & VLSI Design and Electrical and Electronics Engineering. The Institute also offers M.Sc. program in Chemistry and Ph.D. programs in all Departments.

About the Department

The Department was established in the year 2013. The Department offers B.Tech program in Civil Engineering. The curriculum of the Civil Engineering Department is designed to produce good practicing engineers as well as inculcate an aptitude for research in the students, which will help them flourish in various industrial and research organizations. The alumni of the Department are working in various government and reputed private sector organizations. Along with that, significant number of students are also pursuing higher education in various fields of Civil Engineering.

About the Programme

As per the current scenario environmental pollution has become a matter of concern with regard to sustaining life in this world. Plastic is such a material that is polluting the mother earth and every area from the marine world to land. Several government authorities also launched many campaigns to beat plastic pollution. According to Central Pollution Control Board (CPCB, India), India generates close to 25,940 tonnes of plastic a day. These plastics cause massive destruction to the environment. **India** has committed to phase out single use plastics by 2022. Under the guidance of our honourable prime minister a national strategy has been developed to protect the environmental concerns. The national strategy for addressing the environmental concerns emerging out of plastic wastes involves the strategy of 6R's (reduce, reuse, recycle, recover, redesign and remanufacture) and a strong public movement has been initiated to mitigate the plastic pollution through the involvement of educational institutions. National Institute of Technology Sikkim (NIT Sikkim), an institute of national importance has been serving the nation since 2009. This year the NIT, Sikkim is conducting a two-week workshop on **Elimination of Single Use Plastics** to bring particular attention and behavioural change amongst the students and young adults regarding the elimination of single use plastics.

A Two-Week Workshop

On

“Elimination of Single Use Plastics”

1st to 15th September, 2021

Under

Swachhta Pakhwada - 2021

Organized by

Department of Civil Engineering
National Institute of Technology
Sikkim

Ravangla-737139, Sikkim

Website: www.nitsikkim.ac.in

Registration

- Registration will be considered on a First cum First serve basis.
- There will be no registration fee.
- Click here for registration
https://docs.google.com/forms/d/1IIOWfRxiHe_QSUNKRVtbov5G-0ATNd_B4RkchwiGK7I/edit
- Last date of registration is 1st September 2021.

Certificate

E-certificate will be provided to the participants if they satisfy the attendance criteria.

Chief Patron

Prof. Dr. M C Govil

Director, NIT Sikkim

Advisory Committee

Dr. Sangram Ray

Dean Student Welfare, NIT Sikkim

Dr. Anindya Biswas

Dean Research & Consultancy, NIT Sikkim

Organizing Committee

Convener:

Dr. Ranjan Basak

Dean Academic and HOD, CE Department,
NIT Sikkim

Coordinator:

Dr. Kushal Ghosh

Faculty CE Department, NIT Sikkim

Co-coordinators:

Mr. Neelanjan Dutta

Dr. Souvik Patra

Faculty CE Department, NIT Sikkim

Participants

Participants will be selected among faculty members, scholars, students and practicing engineers from the industry.

Sponsored by
National Institute of Technology
Sikkim

Resource Persons

Prof. Brajesh Kumar Dubey

IIT Kharagpur,

Prof. Ajay Kalamdhad

IIT Guwahati

Prof. Anirban Gupta

IEST Shibpur

Other Eminent Speakers from IITs, NITs, reputed institutions will be sharing their knowledge as per the theme of the programme.

Events

Webinars

Debate Competition for NIT Students

Swachhata Abhiyaan at NIT Sikkim Campus

Platform

The workshop will be organized through online platforms.
