

About NIT SIKKIM

National Institute of Technology Sikkim is an Institute of National Importance and one of the ten newly established NITs by the Government of India in 2009. The institute is offering B. Tech. programs in Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Mechanical Engineering, and Civil Engineering and M. Tech. programs in Computer Science & Engineering, Microelectronics & VLSI Design, and Electrical & Electronics Engineering. The Institute offers an M.Sc. program in Chemistry, and Ph.D. programs in Engineering, Sciences, Humanities, and Social Sciences.

Objective of the FDP

Entrepreneurship is driven by courage, passion, optimism, perseverance, and an undying spirit of achievement orientation. It is venturing into new businesses or revitalizing matured business organizations in response to prospective market potentials. Creating world-class quality products and services by following best business practices, is the need of the hour. This FDP is focused to analyze the various facets of risks, uncertainties, and practical challenges faced by the entrepreneurs and exploring untapped markets, and unfulfilled needs of customers, in search of emerging global opportunities in different sectors.

Sub-Themes of Discussion

- ❖ Charms of becoming an Entrepreneur
