CONIAPS XXVII

Recent Advances in Statistics and Operations Research

Organized By: Department of Mathematics, NIT Sikkim, India

In Association With: International Academy of Physical Sciences, Prayagraj, India

ALLAHABAD

INTERNATIONAL ACADEMY OF PHYSICAL SCIENCES

October 26-28, 2021

Online Mode

Free Registration: https://forms.gle/PrX78f1A9BSzzXBc9

Extended Deadline for Registration and Abstract Submission
September 30, 2021

Topics

- Parametric & Nonparametric Inference
- Linear & Nonlinear Regression
- Time Series
- Bootstrap
- Markov Chain & Monte Carlo
- Stochastic Processes & Stochastic PDE
- Bayesian Statistics
- Theoretical and Applied Probability

- Linear & Nonlinear Programming
- Theory & Algorithms of Optimization
- Stochastic Models
- Game Theory
- Logistic & Transportation Models
- Financial Mathematics
- Simulation Modeling & Analysis
- Stochastic control

Plenary Speakers

Prof. Malay Ghosh
Department of Statistics,
University of Florida, USA.

Prof. Carol Anne Hargreaves
Department of Statistics and Applied Probability, National University of Singapore, Singapore.

Prof. Anuj Srivastava
Department of Statistics,
Florida State University, USA.

Prof. Biswajit Sarkar
Department of Industrial Engineering,
Yonsei University, Seoul, South Korea.

Prof. Adrijit Goswami
Department of Mathematics,
IIT Kharagpur, India.

Prof. Shalabh
Department of Mathematics and
Statistics, IIT Kanpur, India.

Prof. S. S. Mishra
Department of Mathematics,
Dr. Ram Manohar Lohia Avadh
University, Ayodhya., India.

Prof. Subhra Sankar Dhar
Department of Mathematics and
Statistics, IIT Kanpur, India.

Organizing Committee

Patron and Conference Chair
Prof. Mahesh Chandra Govil
Director, NIT Sikkim, India

Convener: Dr. Om Prakash (HoD)
Department of Mathematics, NIT Sikkim
om.prakash@nitsikkim.ac.in   +91-9002521849

Organizing Secretary: Dr. Prashant Jha
Department of Mathematics, NIT Sikkim
prashant@nitsikkim.ac.in   +91-8853492111
